				DATE MAILED: 08/25/2005		

Please find below and/or attached an Office communication concerning this application or proceeding.

	1.						
1	7.	Application No.	Applicant(s)				
	Advisory Action	09/707,015	ELBERSE ET AL.				
	Before the Filing of an Appeal Brief	Examiner	Art Unit				
	·	Arrienne M. Lezak	2143				
ı	The MAILING DATE of this communication appe	ears on the cover sheet with the c	correspondence address				
	THE REPLY FILED <u>08 August 2005</u> FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE.						
,	1. The reply was filed after a final rejection, but prior to or on the same day as filing a Notice of Appeal. To avoid abandonment of this application, applicant must timely file one of the following replies: (1) an amendment, affidavit, or other evidence, which places the application in condition for allowance; (2) a Notice of Appeal (with appeal fee) in compliance with 37 CFR 41.31; or (3) a Request for Continued Examination (RCE) in compliance with 37 CFR 1.114. The reply must be filed within one of the following time periods:						
	a) The period for reply expiresmonths from the mailing date of the final rejection. b) The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no						
	event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection.						
	Examiner Note: If box 1 is checked, check either box (a) or (b). ONLY CHECK BOX (b) WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).						
	Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).						
	NOTICE OF APPEAL 2 The Nation of Appeal was filed on						
	2. The Notice of Appeal was filed on A brief in compliance with 37 CFR 41.37 must be filed within two months of the date of filing the Notice of Appeal (37 CFR 41.37(a)), or any extension thereof (37 CFR 41.37(e)), to avoid dismissal of the appeal. Since a Notice of Appeal has been filed, any reply must be filed within the time period set forth in 37 CFR 41.37(a).						
	AMENDMENTS						
	3. The proposed amendment(s) filed after a final rejection, but prior to the date of filing a brief, will <u>not</u> be entered because (a) They raise new issues that would require further consideration and/or search (see NOTE below); (b) They raise the issue of new matter (see NOTE below);						
	(c) They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or						
	(d) They present additional claims without canceling a corresponding number of finally rejected claims. NOTE: (See 37 CFR 1.116 and 41.33(a)).						
	4. The amendments are not in compliance with 37 CFR 1.121. See attached Notice of Non-Compliant Amendment (PTOL-324).						
	5. Applicant's reply has overcome the following rejection(s):						
	6. Newly proposed or amended claim(s) would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s).						
	7. For purposes of appeal, the proposed amendment(s): a) will not be entered, or b) will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended. The status of the claim(s) is (or will be) as follows:						
	Claim(s) allowed:						
	Claim(s) objected to: Claim(s) rejected: <u>1-3 and 5-20</u> .						
	Claim(s) withdrawn from consideration:						
	AFFIDAVIT OR OTHER EVIDENCE						
	8. The affidavit or other evidence filed after a final action, to because applicant failed to provide a showing of good a and was not earlier presented. See 37 CFR 1.116(e).						

U.S. Patent and Trademark Office

13. Other: ____.

PTOL-303 (Rev. 4-05)

REQUEST FOR RECONSIDERATION/OTHER

See Continuation Sheet.

9. The affidavit or other evidence filed after the date of filing a Notice of Appeal, but prior to the date of filing a brief, will not be

11. 🔀 The request for reconsideration has been considered but does NOT place the application in condition for allowance because:

showing a good and sufficient reasons why it is necessary and was not earlier presented. See 37 CFR 41.33(d)(1). 10. The affidavit or other evidence is entered. An explanation of the status of the claims after entry is below or attached.

12. Note the attached Information Disclosure Statement(s). (PTO/SB/08 or PTO-1449) Paper No(s).

entered because the affidavit or other evidence failed to overcome all rejections under appeal and/or appellant fails to provide a

Continuation of 11. does NOT place the application in condition for allowance because:

Examiner finds that all arguments have been previously addressed within the prior final office action dated 8 June 2005. Additionally, Examiner notes that Applicant has based all arguments enumerated within the after-final amendment upon only one particular embodiment noted within the prior art, (Fig. 1), whereas Examiner has specifically relied upon other embodiments, (as noted within the final office action), which other embodiments clearly render Applicant's claimed invention unpatentable.

In response to applicant's argument that the references fail to show certain features of applicant's invention, it is noted that the features upon which applicant relies (i.e., an "information receiver" defined as a telephone set or video recorder) are not recited in the rejected claim(s). Although the claims are interpreted in light of the specification, limitations from the specification are not read into the claims. See In re Van Geuns, 988 F.2d 1181, 26 USPQ2d 1057 (Fed. Cir. 1993).
